JAPANESE EMBASSY
BANGKOK

As a result of to-day's conversation, we have fully agreed upon regarding the following points:

1. Japan and Thailand shall enter into the offensive and defensive alliance.
2. Thailand shall give to Japan the military co-operation necessary for that purpose (including the permission of passage by the Japanese forces through the Thai territory and giving of all necessary facilities for the said passage as well as immediate execution of measures to avoid every possible conflict which may arise between the Japanese and the Thai forces.)
3. The particulars for the execution of the paragraphs 1, and 2, above shall be agreed upon between the competent authorities of the two countries.
4. Japan shall guarantee that the independence, sovereignty and honour of Thailand be respected and she shall co-operate with Thailand in the recovery of the latter's lost territories.
5. The present agreement shall be confirmed at a later date by the formal documents between our two Governments.
