UNITED STATES POLITICAL ADVISER
FOR JAPAN

No. 199

Tokyo, March 29, 1948

~~SECRET~~

Subject: Personnel of the Soviet Section of the Allied Council
for Japan.

The Honorable
The Secretary of State,
Washington.

Sir:

I have the honor to acknowledge receipt of the Department's
secret circular telegram of March 9, 1948 requesting that this
Mission prepare for prompt submission to the Department a list of
all officers in this area from the USSR and "satellite" countries.

As the Department is aware, there are few officials of the
Soviet satellite countries in Tokyo. The USSR mission, however,
consists of 194 members, and there is enclosed herewith a list
of the personnel of the Soviet Section of the Allied Council for
Japan. This list, prepared by the Military Intelligence Section,
General Staff, General Headquarters, Far East Command, contains
the names of all Soviet officials accredited to this post as of
January 30, 1948, but does not include the Soviet members of the
International Prosecution Section and International Defence Section
for Major War Criminals. The Military Intelligence Section from
time to time issues corrections and additions to the list which
will be forwarded to the Department as they are received.

A limited amount of information pertaining to Soviet person-
alities has been found in the files of the Mission. This material,
consisting for the most part of the dates of arrival and departure
of Soviet officials, has been assembled and is forwarded herewith
as a second enclosure. As supplementary information is received,
it will be forwarded to the Department as instructed in the refer-
ence telegram.

Respectfully yours,

W. J. Sebald
