SUBJECT: Japanese Government's Request for Periodic Sending by Air Mail of Japanese Newspapers to Japanese Residents in South America.

TO: Japanese Government

1. Reference is made to the Japanese Government's memorandum C.L.O. No. 229(RJ) 15 January 1948 in which the request was made for permission to send daily by air mail Japanese newspapers addressed to recalcitrant Japanese elements in certain countries in South America.

2. This Headquarters' memorandum of 20 February 1948 (SCAPIN 1862), subject, "International Mail Service," revises previous regulations regarding the transmission of mail matter from Japan and specifically includes the authorization to forward newspapers by air mail.

3. It is believed that the revision of postal regulations as made by SCAPIN 1862 will permit the Japanese Government to implement the plan proposed in its memorandum under reference.

3. It is directed that the Japanese Government return  
all property on the attached list, and any additional movables  
which may be located and identified, to Kenneth S. Beam, and  
to Gertrude Cozad, Kenneth S. Beam, Harriet N. Hunter, Jeanne  
F. Gilman, Lawrence B. Newell and H. Whitman Newell, heirs  
of Horatio B. Newell (deceased), at the office of the Hyogo  
Military Government Team in Kobe on 19 March 1948 at 1000  
hours under conditions set forth in "Receipt for Restitution  
to United Nation National of Wrongfully Transferred Property  
in Japan," and under the following conditions:

a. A general and a final report by the Japanese  
Government on the management of the property from 7 December  
1941 to the date of restoration, said report to include state-  
ment of all financial transactions, will be attached to each  
copy of the receipt;

b. If the property has been leased subsequent to  
seizure, the Japanese Government will afford the restorer the  
option either to allow the lease to continue in force or to  
terminate it at the time of the restoration of the property.  
Should the restorer decide to terminate such lease, the Japa-  
nese Government will take the action necessary to provide  
vacant possession;

c. All inventories included in the receipt will  
contain a statement as to the condition of the property at  
the time of restoration;

d. Title to the property shall be restored to its  
status prior to wrongful transfer, confiscation or transfer  
under duress, and the property will be restituted free of  
all legal encumbrances placed on it subsequently. Transfer  
of title will be made at the Judicial Bureau, or its branch  
offices, having jurisdiction;

e. All funds subject to restitution will be restored  
to a free yen account status. Funds formerly on deposit in  
United Nations banking institutions and now on deposit in  
the Special Property Administration Account in the Bank of  
Japan are not subject to restitution to individual depositors.

4. Four copies of accomplished receipt for the property  
with documentary evidence of the transfer of title will be  
submitted to General Headquarters, Supreme Commander for the  
Allied Powers within ten (10) days of completion of delivery.  
Receipts and evidence of transfer of title will be submitted  
in both English and Japanese text with the Japanese trans-  
lation certified as correct.

Each delivery of Military Payment Certificates, Series 471, will be accompanied by three (3) approved copies of the certificate shown as inclosure 1 hereto.

5. Each telephone and telegraph office which is presently authorized to accept messages with charges payable in United States Military Payment Certificates will be instructed to:

a. Forward immediately to the Ministry of Communications, Tokyo, all Military Payment Certificates, Series 471, including amounts authorized for making change, which are on hand at the time final instruction is received to discontinue acceptance of Military Payment Certificates, Series 471, in payment for telegraph and telephone messages.

b. Immediately upon the forwarding of all Military Payment Certificates, Series 471, on hand to the Ministry of Communications as called for in subparagraph a above, accept Military Payment Certificates of the new issue in payment of the charges for prepaid messages from United States accredited personnel and other persons or organizations in Japan legally entitled to possess and use United States Military Payment Certificates, and accept prepayment only in Military Payment Certificates of the new issue.

c. Accumulate an equal amount of Military Payment Certificates of the new issue for change-making purposes as was heretofore authorized for each public office where prepayment of messages was made in Military Payment Certificates, Series 471, and where necessary require senders of messages to supply the exact amount of the message charge when change-making funds are not available.

6. All rules and regulations which were applicable to the handling of messages, their payment in, and the handling of Military Payment Certificates, Series 471, are equally applicable to the handling of messages, their payment in, and the handling of Military Payment Certificates of the new issue, unless specific provision for exceptions to or temporary deviation from such rules and regulations is made herein.

7. Direct communication between the Civil Communications Section and the General Accounting Section, General Headquarters, Supreme Commander for the Allied Powers and the Ministry of Communications, regarding operational interpretations of instructions regarding conversion of currency within the scope of this memorandum, is authorized.

3. Paragraph h(2), Annex 9 of reference 1 above is rescinded and the following substituted therefor:

"h(2) When the Japanese Government is directed by Transportation Permit to move equipment to a given port, separate weekly reports will be prepared for equipment arriving at the port covered by a single allocation number. All information on weekly reports will be taken from markings on actual packages at the port and will not be taken from allocation notices. These weekly reports will begin with the initial arrival of items of equipment at the port and will continue until all equipment covered by the particular allocation notice has been received at the port. The report week will terminate at 2400 hours each Wednesday. If after movement of equipment covered by a particular allocation notice has been started, there is no receipt of such equipment at the port during any report week, a negative report for that week will be submitted."

MEMORANDUM FOR: JAPANESE GOVERNMENT

SUBJECT: Equalization of Radiotelegraph Rates

1. Reference is made to memorandum for the Japanese Government, file AG 311.3 (6 Feb 48) CCS SCAPIN 1228/8, dated 6 February 1948, subject same as above.

2. Paragraph 2 of SCAPIN 1228/8 is rescinded and the following substituted therefor:

Increased rates from the United States and Hawaii to Japan via RCA Communications, Inc. and Mackay Radio and Telegraph Company, Inc. became effective on 5 August 1947; and from the United States to Japan via Press Wireless, Inc. on 9 August 1947. Revenue accruing to the Japanese administration under the revised rate structure for radiotelegrams from the United States and Hawaii to Japan, via Mackay Radio and Telegraph Company, Inc. and RCA Communications, Inc., and from the United States to Japan via Press Wireless, Inc. becomes effective 15 March 1948 and is shown on pages 3 and 8 of inclosure 1. Application of a Japanese terminal charge to radiotelegrams to Japan will continue to be handled in accordance with presently established procedures, as set forth in paragraph 6 of reference 1a above.

3. Paragraph 3 of reference memorandum is rescinded and the following substituted therefor:

Increased rates for radiotelegrams from Japan to the United States and Hawaii, as listed in inclosure 1, become effective as follows: Via RCA Communications, Inc. and Mackay Radio and Telegraph Company, Inc. on 15 March 1948; via Press Wireless, Inc. on 18 March 1948. SCAPIN 1228/3 is rescinded effective 18 March 1948. Inclosure 2 of SCAPIN 1228 is not applicable to RCA Communications, Inc. and Mackay Radio and Telegraph Company, Inc. after 14 March 1948 and is rescinded effective 18 March 1948.

MEMORANDUM FOR: Japanese Government

SUBJECT: Radio and Ionosphere Observations During Annular  
Solar Eclipse 8-9 May 1948

1. Reference is made to Memorandum for the Japanese Government, file  
AG 676.3 (10 Oct 45)CCS, SCAPIN 118, dated 10 October 1945, subject:  
Continuation of Ionosphere Measurements and Associated Research in Japan.

2. The proposal prepared by the Japanese Ministry of Communications  
as submitted informally to the Civil Communications Section, General Head-  
quarters, Supreme Commander for the Allied Powers, covering measurements  
to be made on a single hop oblique incidence radio path during the forth-  
coming annular solar eclipse, is approved.

3. The proposed plan is approved as a joint project which will be  
conducted outside the boundaries of Japan due to the geographical limi-  
tations of the eclipse, through the cooperation of the United States Army  
and the Radio Wave Research Laboratory, Chungking, China.

4. The responsibilities of the Japanese Ministry of Communications  
in this project, in coordination with the occupation authorities are as  
follows:

a. Preparation of all necessary field strength measuring equipment  
and associated apparatus, exclusive of antennae materials, for the purpose  
of making the required ionospheric measurements.

b. Surveying of equipment site in Okinawa for determination of  
installation requirements.

c. Installation of all necessary equipment, exclusive of antennae.

d. Provision of the necessary qualified technical staff for in-  
stallation and observations.

c. Coordination with the Radio Wave Research Laboratory, Chung-  
king, China, in the matter of transmitting the required radio signals and  
making the required ionosphere height measurements.

6. A qualified Japanese representative will be made available for air  
transport to Okinawa on or about 30 March 1948 to conduct a preliminary sur-  
vey. A staff of five (5) technicians, to be specified by the Ministry of  
Communications as qualified individuals for this project, will be made avail-  
able for transportation by air from the Tokyo area to Okinawa on or about  
20 April 1948 for the purpose of making, in Okinawa, the necessary installa-  
tions, and of proceeding with the actual ionospheric measurements during the  
eclipse. They will be returned to Japan, by the occupation authorities,  
immediately upon completion of the project.

7. All necessary field strength measuring equipment, with the excep-  
tion of the antennae or antennae materials, will be made ready for air  
transport to Okinawa by 15 April. The determination of the exact equip-  
ment requirements will be made during the preliminary survey covered in  
paragraph 6 above.

8. The cost of the project, except for logistic support covered in  
paragraph 5, is to be borne by the Japanese government and in no way will  
it be chargeable to termination of war expense or to occupation costs.

9. Direct communication between interested Staff Sections, General  
Headquarters, Supreme Commander for the Allied Powers and the Japanese  
Ministry of Communications within the scope of this memorandum is authorized.

MEMORANDUM FOR: JAPANESE GOVERNMENT

SUBJECT: Expenditures from Funds Appropriated for Occupation Force Requirements.

1. Rescission. Supreme Commander for the Allied Powers Memorandum for Japanese Government, AG 400.12 (27 Aug 46)GD, SCAPIN 1160, subject "Procurement Demand Procedure", dated 27 August 1946 is rescinded.

2. It is the purpose of this memorandum to define and limit the instruments which constitute authority to expend funds appropriated by the Japanese Government to meet the requirements for support of the Occupation Forces as differentiated from those funds appropriated to meet requirements for compliance with directives issued by the Supreme Commander for the Allied Powers for the benefit of the Japanese people, to carry out the terms of surrender, or to otherwise accomplish the purpose of the occupation.

3. Requirements for support of the Occupation Forces are transmitted to the Japanese Government by means of "Procurement Instrument", which, when applicable, include items mutually beneficial to the Japanese people and the Occupation Forces. The term "Procurement Instrument", as used herein refers to any one of the following three instruments only and does not refer to "SCAPINS", "Letter Directives", or "Work Orders":

a. Procurement Demand, GPA Form 1. The Eighth United States Army is the only authorized agency to issue these demands. The method of issue is as prescribed by the Commanding General, Eighth Army. Except for limited purposes as defined in sub-paragraphs b and c below, the Procurement Demand, GPA Form 1, is the only instrument authorized for procurement of real estate, construction, rehabilitation, maintenance, equipment, services, supplies, or any other requirement for the support of the Occupation Forces. Acknowledgment of accomplishment of Procurement Demands (GPA Form 1), in whole or in part, is indicated by receipt on GPA Form 2.

b. Communications Order, GPA Form 8. This is a special form of Procurement Instrument served on the Japanese Government through the Japanese Bureau or Ministry of Communications through the

designated Signal representative of the Supreme Commander for the Allied Powers or Commanding General, Eighth Army, for the procurement of communications services, materials, equipment, technical personnel and construction incident to installation, maintenance or operation of communications equipment. It will not be used for construction, maintenance or acquisition of buildings, real estate (except cable or wire right of ways), water, heat, power or sewage, as such. Acknowledgment of accomplishment of Communications Orders (GPA Form 8), in whole or in part, is indicated by receipt on GPA Form 5.

c. Labor Requisition, Labor Form 1. This is a special form of Procurement Instrument for labor required by the Occupation Forces, but not included in requirements stated in Procurement Instruments, GPA Forms 1 and 8. The Eighth United States Army is the only authorized agency to issue these requisitions. The method of issue is as prescribed by the Commanding General, Eighth Army. Acknowledgment of accomplishment of Labor Requisition (Labor Form 1), in whole or in part, is indicated by certification of Unit Labor Officer.

4. Procurement of utilities, services, and maintenance, and plant or operating facilities necessary to provide utilities or services as demanded will be accomplished as follows:

a. Utilities and Services.

- (1) Procurement Instrument and receipts for utilities or services, including public carrier and communications services, will be executed for only the utility or service.
- (2) The acquisition of special or additional plant, equipment, and real estate, and the construction or rehabilitation and maintenance of structure and equipment as may be required in connection with a service or utility furnished by the Japanese Government to meet a requirement for the Occupation Forces will be covered by separate and specific procurement instruments. (See sub-paragraph (3) below).
- (3) Procurement instruments issued under the provisions of paragraph 4a (2) above are only issued to the extent that the existing facilities, which are available to the agent of the Japanese Government, are inadequate to provide the utilities or services required.
