Remarks:-

- 1) In order to prepare the daily- or weekly report as promptly as possible, we are doing our best to gather the necessary informations. However, the report tends to delay owing to the circumstances that the agency or branch offices of Demobilization headquarters at landing ports were quite recently established and their organization have not yet completed, which please note.
- 2) During this week, none was repatriated in Chubu and Chugoku Armies.
- 3) The figures in bracket show that of auxiliaries.
- 4) Discharge completed except for ⁱⁿ patients.
- 5) Landing ports left blank in this report will be reported later on as soon as they are known to us.
