1. We have received no detailed report as yet besides the Chujo Army area, although we requested every army area to submit a report on necessary items promptly in accordance with the instruction of G. S. Sixth Army dated October 30th and we hasten to report as above list according to the previous reports of demobilization of repatriates.
2. Ports of Departure and demobilization conditions shall be reported as soon as known.
3. In the column of strength of the Western Army Area, () is the number of patients.
4. The patients were sent to the Military Hospitals, but the others have completed demobilization except a few of them.
