Tokyo, June 1st 1940.

N.605/J/31

To the Estate Agent
of Marquis Hachisuka
9, Mita Tsunamachi, Shiba-ku
Tokyo.

In reference to its letter N.605/J/26 of May 14th, 1940, the Polish Embassy begs to inform you, that, in consequence of the express desire of Marquis Hachisuka stated in his conversation of May 10th with the Polish Ambassador, it will not pay today the sum of ¥1.500 as rent in advance for the month of June 1940 of the premises occupied by it. As for the two preceding monthly rents, the Embassy will deposit this sum in the special waiting account opened to that purpose with the Mitsui Bank in Tokyo in the name of H.E. the Polish Ambassador, until an amicable arrangement has attained a definite solution of this question.

The Polish Embassy

personal

My Dear Marquis,

I much regret that the matter of the lease of your house by the Polish Embassy after April 1st, 1940, has occasioned a difference of opinion between us. Our amicable relations which I value greatly and the fullest appreciation with which my Government and myself are enjoying this house, lead me to approach you in a most friendly way without reference to legal arguments.

I desire above all to assure you of the absolute good faith with which I believed myself to be in agreement with you as to the continuation of our lease, which caused me, last January, to give up a possible arrangement, offering at that time, to procure for my Embassy a provisional location. I am, on the other hand, quite aware of the inconveniences which result for you from not having the use of your Tokyo residence.

Nevertheless the inquiries which I have been making, like several others of my diplomatic colleagues, show me the extreme difficulty at present of procuring in Tokyo a residence suitable for an Embassy. This difficulty is aggravated for us on account of the war conditions in Europe and especially those prevailing in my country.

I presume you will take this into consideration, and will accordingly agree, as I do myself, to study in a friendly way such modifications of our present arrangements as will enable their continuation at our mutual convenience. If, contrary to my expectation, this is found to be impracticable, I would ask you to kindly consent, always in the same friendly spirit, to the use of your house by the Polish Embassy until I am able to find new premises.

Marquis Hachisuka

Tokyo.

My Dear Mr. Suzuki,

Following on my letter of May 14th, I take the liberty of sending you the copies: of a letter which my Embassy forwarded of June 1st to the Estate Agent of Marquis Hachisuka, and also of my personal letter of today's date to the Marquis himself. I should be obliged to you if you will keep them with the other letters which I have asked you to hold until such time as we, I hope, shall arrive, thanks to your kind offices, at a definite friendly arrangement with Marquis Hachisuka of the matter of renting his house for the Polish Embassy.

Believe me, my Dear Mr. Suzuki

Yours cordially
